Summary

Motivated Computer Science student with internship experience focusing on database management with Python. Certified as a AWS Cloud Practitioner and knowledgeable in Linux systems. Strong fundamentals in Scripting and Systems programming languages and eager to improve my technical skill in a fast-paced, ever evolving industry.

Education

EST Graduation May 2025	Lawrence Tech University – Southfield, MI Bachelor of Computer Science, Concentration Software Engineering
-------------------------	--

Experience

Summer 2024	Testek Internship – Wixom, MI Work with managing SQLite databases across SVN branches and merging isolated test machines. Created several Python programs such as a tool to merge databases and normalize table data using SQLAlchemy to modify SQL tables and PyQT as a GUI library for easier use for users.
-------------	---

Certifications

AWS Cloud Practitioner Verification Number: *9S3XCB92WMEEQG58*

Projects

Personal Site – <https://ewheeler121.xyz>

Created a Personal Website. Hosted on a VPS running **Debian**, a distribution of **Linux**. The Back-End is written in **GO** using libraries for **Sqlite3** and the Profanity Filter. The Front-End is written with **HTML**, **CSS**, and no **Javascript** is used.

Skills

Languages	C/C++, Java, Python, HTML, CSS, SQL, Javascript
Tooling	Git, Linux, Amazon AWS, Vim, VSCode, Visual Studio, Make, Gradle, Pip
